Professional Summary

Hardworking as a postgraduate student in the field of oral and maxillofacial surgery seeking to advance his surgical skill set and knowledge to the next level by pursuing a fellowship course in the various super specialties of craniofacial surgery such as Trauma, Oncology, Orthognathic surgery, Cleft surgery, and so on.

I am bringing forth a motivated attitude and a variety of powerful skills. Proven ability to establish and maintain excellent communication and relationships with patients. Excellent time management skills combined with a superior knowledge of patient care. Adept in making key decisions and working with other professionals to achieve goals and solve problems.

Education

- ***Bachelor of Dental Surgery, Maharana Pratap College of Dentistry and research centre, Gwalior*** Aug, 2013 - Oct, 2019

I have finished bachelor's in Dental surgery from a well-reputed institution in Gwalior, Madhya Pradesh. Being one of the two dental colleges in the large district of Gwalior. The hospital saw a good amount of patient flow with knowledgeable staff to not only guide students in their academic endeavours but refine their clinical skills.

- ***Masters of Dental Surgery, Oral and Maxillofacial Surgery, College of Dental Sciences, Davangere*** Dec, 2021 – Dec, 2024

I have finished my post-graduation in the specialty of Oral and maxillofacial surgery in December 2024 from an esteemed institute NAAC A+ accredited that is College of Dental Sciences, Davanagere. Institute has good infrastructure to support quality education along with enormously diverse in and out patient flow which has helped me in refining my clinical, surgical skills and bring out academic excellence. I have had the opportunity to work with some of the most experienced surgeons in our fields as staff in college as well as in our peripherals in various super-speciality hospitals with abundant hands on.

Skills

- Creativity, Strong Communication Skills, Languages known are Kannada, Hindi, English, Diagnosis and Treatment of multitude of oral and craniofacial lesions, Proficiency in surgical skills and assistance for senior surgeon in minor and major oral surgical procedures.
- An all-round skill development in the form of peripheral posting in the surgical departments of Neurosurgery, General Surgery in a reputed superspeciality hospital from Davanagere, Karnataka.

Academic Events

- Symposium on Maxilla and mandible reconstruction in oral cancer, Bengaluru, May 2023
- Triple 'O' Symposium on Oral Cancer, Bengaluru, July 2024
- MIDCON Hubballi 2024 - Indian Association of Surgical Oncology Mid Term Conference, Hubli, March 2024
- Hands on Workshop - Surgical approaches to facial skeleton and Neck Dissection, Mangalore, April 2024

Courses

Basic Life Support, College of Dental Sciences, Davanagere, September 2024

Experience

- ***Senior lecturer in the department of Oral and Maxillofacial surgery in Maharana Pratap college of dentistry and Research Centre, Gwalior*** from 14/01/2025 to 17/04/2025.

Not only helped me gain a fresh perspective as a staff but also I was able to understand the intricate details of functioning of department and hospital. I was also able to help and guide post graduated through diverse amount of cases and develop a keen sense of understanding of subject within them.

Hobbies

I play chess, cricket, soccer, and pool. I love reading books.

Department of Oral & Maxillofacial Surgery

College of Dental Sciences, Davangere

RECOMENDATION LETTER

TO WHOMSOEVER IT MAY CONCERN

I knew Dr. Aniruddha Dwivedi for the last four years and I observed him very closely during his Post Graduation's days about his passion and commitment towards the Specialty. I must admit that his commitment levels, the way he shows interest in learning the surgical work, academic updates etc. were exceptional.

Dr. Aniruddha handled most of the minor oral surgical work and Maxillofacial Trauma confidently during his post-graduation here with me and managed the post operative complications uneventfully. His academic participation and presenting scientific papers at various specialty conferences were outstanding. His concern about the patients' care is something I must appreciate.

Dr. Aniruddha Dwivedi holds very good communication skills, accommodating nature, pleasing manners and extremely hard working towards his goals.

I strongly recommend Dr. Aniruddha Dwivedi for the Fellowship program or any equivalent job at any center of his choice undoubtedly.

Please consider him and I wish him the best for his future endeavors.

Kindly do not hesitate to contact me for any queries.

Regards,

Dr. SIVA BHARANI K.S.N.
